*For more information on how to dispose of hazardous waste, please visit www.stopwaste.org.

New Carts Coming to Fremont Beginning Summer 2019!

All single-family homes, condos and townhomes will receive new carts in 2019. As summer approaches, be on the lookout for details on the new cart delivery schedule and old cart set-out instructions. Here's a sneak peek at the new cart colors.

Recycle Blue Cart

Paper, cardboard, bottles, cans, jars

Compost Green Cart

Food scraps, soiled paper, yard trimmings

Garbage Black Cart

Material that is not recyclable or compostable and is headed to the landfill.

Fremont's 24th Annual Compost Giveaway

Join Republic Services and the City of Fremont at the 24th Annual Compost Giveaway on Sunday, April 14, 2019! It's our way of thanking you for properly recycling your yard trimmings and food scraps each week in your green organics cart.

Republic Services, the City of Fremont, and the Fremont Recycling & Transfer Station invite Fremont households participating in the green waste recycling program to collect two (2) FREE bags of compost from 8:00 a.m. – noon (while supplies last).

Compost is the end product of grass, branches, leaves, food scraps and other organic material. When this mixture of material biodegrades, it becomes a useful soil conditioner and fertilizer that retains moisture, conserves water and nourishes plants. Compost is meant to be used as a soil amendment – think of it as a vitamin boost for your plants and trees!

To participate in the Annual Compost Giveaway, you must be a Fremont resident participating in the green waste program and bring your most recent Republic Services invoice as proof of eligibility. For more information contact Republic Services at [510-657-3500](tel:510-657-3500).

Helpful Hint:

Avoid the line! For shorter wait times, arrive at the Compost Giveaway after 9:30am
