Commingled Recycling
These materials go in your tan cart:

- **Paper/Cardboard**
  Junk mail, flyers, office paper, envelopes, gift wrap & cards (no foil), post-it notes, paper bags, newspaper, cardboard (please cut to fit in cart), paperboard, phone books, shredded paper (loose in a paper bag or cereal box)

- **Metal**
  Please rinse. Tin & aluminum cans, aerosol cans, clean foil, pie pans, metal lids

- **Plastic**
  Please rinse and remove screw-top lids and pumps. Plastic bottles, jugs, tubs (yogurt, margarine), jars (peanut butter), nursery pots & buckets (smaller than 5 gallons)

Mixed Organics
These materials go in the light gray cart:

- **Plants & Flowers**
  Yard Trimmings
  Grass Clippings
  ALL Food scraps including meats and proteins, dairy, fruits and vegetables, grains and pasta, egg shells and small bones as well as pizza boxes and other food-contaminated papers like paper towels and coffee filters.

  Please make sure the lid on your cart closes completely.

  Gray cart is picked up **every week** on your regular service day.

On the Side
These materials are collected separately beside the tan cart:

- **Glass**
  Glass is collected on your regular service day every other week. Place bottles and jars in the glass bin next to your tan cart.

- **Motor Oil**
  Place in a plastic container with a tight fitting screw on cap beside the tan cart for collection on the same day as glass, every other week.

  (Oil containers must not be larger than 1 gallon in size)

NO Plastic bags, plastic screw-top lids, Styrofoam, glass or garbage in the tan recycling cart.

NO Plastic bags, compostable plastics, pet waste or garbage in the mixed organics cart. If you’re unsure, leave it out.

NO Window glass, bulbs, ceramic or Pyrex in glass bin.
About Your Carts

- Please place carts out to the street by 6:00 a.m. Be sure to place containers 4 feet apart and 10 feet from other items like vehicles, shrubs and mailboxes.
- When putting carts out for collection, remember that material should not be above the top of the cart and the lid should close for the automated arm to work correctly and to avoid additional charges. This includes garbage, recycling, and yard waste.
- Only put carts out when full or convenient. Truck emissions are lower when we eliminate unnecessary stops.
- A cart’s footprint is approximately 26” x 26” and is made of 20% recycled plastic.
