

YARD DEBRIS CONTAINER

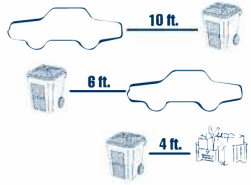

Thank you for requesting a yard debris container. We appreciate you taking an active role in recycling. This material will be taken to Pacific Region Compost (PRC) and ground into compost.

Yard debris is specifically defined as: lawn clippings, leaves, brush, tree limbs and trimmings. **“If it doesn’t grow, it doesn’t go.”** No kitchen scraps, PLEASE.

To help us on collection day, we appreciate your cooperation for our automated process.

- Place container on street by 5:00 a.m.
- Place container approximately 10 feet behind vehicles
- Place container approximately 6 feet in front of vehicles
- Place container approximately 4 feet from other objects (mail boxes, recycling containers, poles, etc.)
- Place the handle toward the house so the container opens toward the street

Please DO NOT place these items in your container:

- Ashes, dirt, gravel, rocks or bricks
- Liquids (motor oil, paint, solvents)
- Logs, tree limbs or trimmings that do not allow the container lid to close
- Plastic bags, metal or rubber objects
- **NO KITCHEN SCRAPS**

We will pick up yard debris at curbside. Note: this service is offered every other week (refer to calendar on back). Please roll your container to the street on your regular garbage collection day.
