NEW— School Tours

available at Ox Mountain Landfill

Allied Waste is proud to offer school tours of our Ox Mountain Energy Recovery and Disposal Facility located in Half Moon Bay. Not only will students have the opportunity to learn the importance of recycling, reusing, and diverting items from the landfill, they will also get a behind the scenes look at our green energy facility, one of the Bay Area's largest renewable energy projects. A visit to Ox Mountain will not only provide teachers with an invaluable tool in educating students on the importance of conservation, it will also show students why it's important to implement sustainability on a daily basis.

To ensure the safety and comfort of all visitors, a maximum of approximately 50 students and 10 chaperones is recommended. To schedule your FREE tour, please call Allied Waste's Customer Service Department at 650-592-2411 to provide your contact information and a tour coordinator will assist in scheduling your tour.

Tickets for Sipping with Seton start at \$50 and can be purchased online at: sippingwithseton2012.eventbrite.com Patron sponsorships are available from \$250 and include 2 VIP tickets, access to the Private Tasting Room at the event, and 2 Comp Tastings at selected wineries at a later date. For more information about Seton Medical Center Foundation, visit setonfoundation.org

Allied Waste is Proud to Support *"Sipping with Seton"*

Seton Medical Center Foundation now in its 100th year of service— is pleased to announce the fifth annual Sipping with Seton event, to be held on Wednesday, October 3 from 6-9 p.m. at the beautiful Lake Merced Golf Course in Daly City, host of the recently concluded 2012 U.S. Girls' Junior Championship. This year, in addition to the usual offerings of rare wine varietals, tastings will include an artfully curated selection of artisan beers, spirits and inventive non-alcoholic beverages. Select vintages from Simoncini, Schweiger, Cline Cellars, Domenico, Highway 12, Volante, Corte Riva, and Castello de Amorosa will be offered, along with hand-crafted concoctions from Half Moon Bay Brewing Company and 21st Amendment Brewery.

The event will also feature select hors d'oeuvres specially created by Lake Merced's Executive Chef, a silent auction and raffle, with prizes like a Champagne Brunch and Cruise for Two and a complete Golf Experience Package for Four valued at over \$2,000. Sommeliers from Wine Events Connection will be on hand to guide guests through the tastings, while Jason Elkin, host of the new television show "Uncorked," will be filming a segment during the event as well as leveraging the latest in wine tech—including a 3D wine tasting demo. ABC7 Morning News Meteorologist Mike Nicco will once again preside as the Master of Ceremonies.

Now in its fifth year, Sipping with Seton has raised over \$100,000 to support much needed programs, services and charity care under the auspices of Seton Medical Center. Proceeds from this year's event will go towards the purchase of a new ultrasound machine for Seton's Labor and Delivery department.

Got Hazardous Waste?

Hazardous Household Waste shouldn't be poured or flushed down the drain nor should partially filled containers be placed in trash or recycle carts.

Hazardous Waste, including household, automotive and garden chemicals should be processed by a special facility. Disposing of this material properly protects our environment including our air and water ways. **Environmental Health of San Mateo County makes disposal convenient by offering year-around, no charge, drop-off locations throughout the county.** Accepted material includes antifreeze, car batteries, oil filters, cleaning and pool supplies, thinners, varnishes, oil and latex paints. Find more information and to schedule an appointment by calling (650) 363-4718 or at: <http://events.smhealth.org/events/>.

Paint, batteries, thermostats, and other hazardous household items, fluorescent tubes and Compact Fluorescent Lights (CFLs) should be disposed of properly.

Half Moon Bay residents can drop-off CFLs and fluorescent tubes at:

Ocean Shore Hardware • 111 Maine St, Half Moon Bay • (650) 726-5505

To find other disposal options check: www.earth911.org or call 1-800-CLEAN-UP

Used needles (sharps) are also considered hazardous waste and must be disposed of properly. The following sharps collection location is available to Half Moon Bay residents:

Fire Station 40 • 1191 Main St, Half Moon Bay • (650) 726-8290

Proper set-out for new curbside collection

IMPORTANT TIP: Cardboard should be folded to fit inside the cart then PLACED in the blue recycle cart. Only if the cart is full should you place folded-to-fit cardboard next to the cart.

Keep this Handy Recycling & Green Waste Guide *in a convenient place in your home for easy reference!*

Blue Recycling Cart:

- Plastic -
- Plastic Bags 
- Plastic Buckets  (remove wire handles)
- Bottles and Cans
- Mixed Paper
- Glass
- Pizza Boxes
- Scrap Metal (weighing up to 10 lbs. without cords or chains. Items must fit in cart.)
- Household Batteries and Cell Phones—group batteries and Cell Phones in separate clear, plastic ziplock-type bags, labeled appropriately and place on lid of recycling cart.
- Motor Oil (placed at curbside in one-gallon jugs, lid taped closed). Limit 2 one-gallon jugs per collection occurrence.
- Cardboard: Always flatten and cut or fold cardboard to fit inside your cart. When the cart is full, flatten and size cardboard to fit inside the cart, and then stack it next to the cart. Your driver can collect cardboard placed next to the cart only when it is sized to fit inside the cart. Cardboard that does not fit into your cart can't be collected. Contact Customer Service at (650) 592-2411 with questions.
