1 -- Spring Clean Up is the *one time* during the year that tied bundles (4 -foot lengths or shorter) of tree limbs and branches, carpet, and vinyl, etc. may be placed *next to* your trash cart. At all other times, tree limbs and branches must be placed in trash carts and cut to 4-foot lengths or shorter.

2 -- Fall Leaf Cleanup: Overflow leaves placed in trash carts will go to the landfill for disposal.

3 -- Christmas trees must be free of lights, ornaments, tinsel, and stand and cut to 4-foot lengths or shorter. Flocked trees and wreaths are not accepted for recycling.

4 -- Clear plastic container with secure, threaded neck (e.g., milk jugs) marked "Used Oil."
