### Collection

Put all containers out before 7 AM on collection day. Please remove containers from the curb within 24 hours after collection. If you are close to a collection boundary, call to verify your collection day.

### Missed Collection

#### Residential Customers

If you call before 6 PM, the container will be collected by 8 PM that same day. If you call after 6 PM, collection will occur on the next business day. If you call after 6 PM on a Friday, materials will be collected on Saturday.

### Bad Weather

Republic Services trucks do not run when bad weather prevents safe collection. If your bad weather prevents collection, a double load will be collected at no additional charge on the next regularly scheduled collection day (a week later). Excess materials can be put in a temporary container, such as a box or paper bag, and marked "Garbage," "Recycling," or "Yard Debris."

### Holiday Schedule Changes

Collection occurs on all holidays except for Thanksgiving, Christmas, and New Year's Day. If your weekly service falls on or after one of these holidays, collection will be on the next business day, including Saturday.

### Customer Service Call Center
